COURSE. As Nova Middle "attorneys," we will dive deeper into the topic of law. We will also enhance your mock trial skills with advanced techniques and evidence. Your commitment, grades, work ethic, and behavior this year will determine whether you advance to 8th grade law.

LATE WORK. Late work will receive a deduction of 5% for each day the assignment is late (including weekends), for a maximum deduction of 40%. Late work will be taken up until *two weeks* prior to end of the quarter in which the assignment was due.

EXTRA CREDIT: If available, extra credit will not be allowed if you have any zeros.

ABSENCES. It is your responsibility to ask for any missed work. If you are absent the day an assignment is due, the assignment must be turned in by the *beginning of* the next class you attend. I will not track you down. If you do not make up work in a timely manner, you will earn a "zero" for that work.

BEHAVIOR. I'm a pretty chill teacher - just follow my rules and expectations. If you fail to do so, you will be given an "Order of Contempt" which may require a parent's signature.

ADDITIONAL HELP. Ask for help if you need help. I am always here for you.
